- Discussion from board members about copy of migration system or a plan more project oriented here. President offered new registration system/management is viable and we would manage the registrations with an option to have website for each race (ex: Pride Run 5K). President advised B. Lanteigne salary \$16,000 - \$18,000/yearly, F. Ruckert will be \$1200/monthly. Allie Barnes handling all social media for NOTC at cost-effective rate of \$20/hourly (4-6 hours/week, \$400- \$500/monthly). President advised RunSignUp will be hosting NOTC membership and is the most effective website for registration based on recent demonstrations and research of other track clubs/organizations. This would facilitate our member-based organization and be a key to growth of NOTC.
- Motion to accept and hire Fred Ruckert as new NOTC Website Manager at \$1200/monthly and to accept and hire Allie Barnes as new NOTC Social Media Director at \$20/hourly (4-6 hours/week, approximate, \$400-\$500/monthly, approximate) by J. - Grand Prix 2022 – partnering with other race directors in the city and NOTC would own it but link in with target potentially with Eric Stuart and other race directors to link in here YMCA Fall Classic/Corporate Fall Classic, Chuck George Run Through History, Huey P. Bridge Run (possibly 3 outside races, 4 inside races with NOTC, 7 overall). Participant and group awards with them promoting CCC 10K, Fresh Junkie, and possibly Chuck George’s races, as the sponsors are liking this idea.
- Chuck George not doing Red Dress Run, we are insured and would like to propose an offering here for use of our NOTC equipment as we are insured and make available some volunteers; Clock, scaffolding, D.J. equipment, generator, and truck for the August 2021 event; non-revenue generating event, but good exposure for NOTC.
